

# Situk Partners Meeting Agenda

Friday March 13<sup>th</sup> Yak-Tat Kwaan Conference Room at 1 pm-6pm

**Conference line:** 1-888-844-9904 Access code 1766424--Please attend in person if in Yakutat

The goal of this meeting is to re-initiate the Situk Partners as a working group.

## Objectives

- Introductions of the members, background and context.
- A review of Partners founding documents, history, and goals.
- A chance for any of the partners to share with the group any aspects of Situk River Management they would like to address.
- A chance for any of the partners to raise issues or concerns related to Situk River management.
- A chance for public comment on Situk management issues.
- Summary of the meeting, issues, and the generation of any action plan objectives that the group agrees on for 2020.
- Set date for a post season (October) meeting.
