

YAKUTAT, NOW IS THE TIME TO RESPOND TO THE 2020 CENSUS!

The 2020 Census is happening now. Help shape your future, and your community's future, by responding to the 2020 Census. For the first time, you can choose to complete the census online, by phone, or by mail. Find out more about each of these methods below:

RESPONDING ONLINE

- Respond to the 2020 Census by visiting the online questionnaire at <https://my2020census.gov/>
- If you are responding online, please note that you cannot save your progress and that you must complete the census in one sitting.
- The quickest way to respond to the 2020 Census is online with your Census ID, which can be found on the letter or questionnaire you receive from the Census Bureau. This easily links your response with your address. However, you can still respond if you don't have a Census ID.
- If you have not received anything from the Census Bureau yet, you can still respond online. Visit the online form and select "Start Questionnaire." Below the ID field, click the link that says, "If you do not have a Census ID, click here."

RESPONDING BY PHONE

- Respond to the 2020 Census by calling 844-330-2020. Phone lines are open every day from 7am to 2am Eastern Time.
- The 2020 Census will ask a few simple questions about you and everyone who is or will be living with you on April 1, 2020.
- In some circumstances, you may receive a call from the Census Bureau after responding, at the number you provided. Census workers will occasionally follow up with homes to ask questions about their responses. The goal is to ensure that no person is left out of the census or counted in more than one place.

RESPONDING BY MAIL

- Respond to the 2020 Census by mailing back the paper questionnaire sent to you by the Census Bureau.
- Most households received their invitation to respond to the 2020 Census between March 12 – 20. These official Census Bureau mailings will include detailed information and a Census ID for completing the census online.
- When responding, use blue or black ink to fill in the questionnaire. Do not use a pencil.
- When finished, return the questionnaire in the envelope provided. If you have lost your return envelope, please mail your completed questionnaire to:
