UPDATE Covid-19 Test Reports 07/26/2020

Total 5 Positive

Yakutat Incident Command received confirmation from Yakutat Community Health Center (YCHC) which shows Yakutat has 5 total positive Covid-19 individual in town. There are 4 positive Covid-19 Residents and 1 Nonresident. YCHC was informed by the State of Alaska Lab that they had analyzed a portion of the 160 tests sent on July 23 & 24 (Swab, Fast Tests Clinic & Airport) and found the new case. The State is continuing the analysis of the remaining tests in their position. Those that test positive will be contacted by YCHC or the State of Alaska personnel and informed of the positive test and what the positive person must do once notified.

YCHC will be conducting a Drive Through Covid-19 Testing on Monday July 27, 2020 between 1-4 pm. Anyone that has been contacted as a Covid-19 positive or a Close Contact should follow the directions at the time of notification.

If anyone is showing signs and symptoms of the Covid 19 and needs medical attention please call 911, otherwise self-quarantine and contact YCHC in the morning on directions of how they will address your needs. If you are a person of contact by the Covid-19 patient you will be contacted and informed when you can come to the Clinic for testing. Any person that has been in contact with the positive Covid-19 Patient: **WILL BE REQUIRED TO FOLLOW THE CDC & STATE OF ALASKA GUIDELINES. TESTED AND QUARANTINE UNTIL RESULTS OR SELF QUARATINE FOR UP TO 14 DAYS** or any other guideline. You can find information at covid19@alaska.gov.

FOOD FOR THOUGHT

IF YOU CANNOT LIST ALL THE PEOPLE YOU HAVE

HAD CONTACT WITH WITHIN THE LAST WEEK

YOUR PERSONAL BUBBLE IS TOO LARGE FOR COVID-19.
