### UPDATE COVID-19 / February 4, 2021

### 1 (One) CURRENT YAKUTAT ACTIVE POSITIVE COVID-19

Yakutat Covid-19 IC received confirmation from Yakutat Community Health Center there is still **1 (One) Active Covid-19 case as of 2/04/2021**. YCHC reported **the Positive Persons was tested on 1/18/2021. The Individual was Symptomatic and is in relation to travel.** *This case has been verified by YCHC COVID Staff in which a Rapid Test verified the Covid-19 Positive results.*

*Contact Tracing was completed and if you were contacted by YCHC and the State of Alaska they will provide you with directions about your contact.*

The IC and YCHC requests the Community and those Individuals Traveling take extra precautions. As the winter season is upon us so is the Flu Season so the IC and YCHC is reminding everyone **Currently a large majority of the Statewide Covid-19 spread starts as Communal Spread; resulting in several other being infected by the Positive Person having direct contact with others.**

If anyone has had contact with the Positive Patients please self-quarantine or if you are showing signs and symptoms of Covid 19 while self-quarantine call the YCHC Covid Hotline 784-3010 during hours, for directions. If you need immediate medical attention please call 911, state your emergency and inform the person that it may be Covid related. Any person that is positive or a direct contact of a Covid-19 positive: **WILL BE REQUIRED TO FOLLOW THE CDC & STATE OF ALASKA GUIDELINES. TESTING AND QUARANTINE UNTIL RESULTS OR SELF QUARANTINE FOR UP TO 10 DAYS or any other guideline requiring a longer isolation.** You can find information at [covid19@alaska.gov](mailto:covid19@alaska.gov).

YCHC & the IC would like to inform the public that YCHC has completed 98% of the first 100 (2 shots 28 days apart) vaccinations for the Tier 1A individuals. YCHC also has started the first round of shots for remaining Tier 1A group while also vaccinating some individuals in the Tier 1B group. The vaccinations depend on the allocation of the State of Alaska Distributions of vaccines.

### FOOD FOR THOUGHT

**IF YOU CANNOT LIST ALL THE PEOPLE YOU HAVE HAD CONTACT WITH WITHIN THE LAST WEEK YOUR PERSONAL BUBBLE IS TOO LARGE FOR COVID-19.**

**Dr. Zink, State of Alaska HSS**
